Dear Resident

Have your say: proposal for a permanent electronic message sign on Carlingford Road, Epping

Further to our earlier notification about site investigations to identify a suitable location for a permanent electronic message sign on Carlingford Road, near Hermington Street Epping, we are now seeking your feedback on the proposed location for this sign.

What are we doing?

As a result of the site investigations and survey work recently carried out we have been able to identify a suitable location for the sign proposed in your neighbourhood as indicated in the map below. This location is preferred because it:

- Has a minimal impact on residents from a safety and visual perspective
- Provides sufficient sight distances on approach for motorists
- Does not conflict with existing road signage.

Proposed location: Carlingford Road, Epping

Why are the signs needed?

The permanent electronic message sign will allow for the efficient operation of the road network by providing road users with advance notice of planned and unplanned incidents impacting the NorthConnex tunnel and road network. The sign will provide

Return 
local streets to local communities

Up to 
5,000 trucks per day
off Pennant Hills Road

Up to 
15 mins
travel time saving

Deliver **improvements**
to local **air quality**

Up to 
21
traffic lights bypassed

improve 
the efficient movement of
state and national freight

Better and more
reliable trips
for people, businesses and freight

live, up-to-date information about changes to road conditions such as road work, vehicle incidents and disruptions to motorists.

The height of the proposed sign would be 5.5m and it will look similar to the image below.

Have your say

We are seeking your feedback on the proposed location. Please provide any feedback by **Friday 5 February 2016**, by:

Email: enquiries@northconnex.com.au

Phone: 1800 997 057

Post: NorthConnex
Locked Bag 1001
West Pennant Hills, NSW 2125

You can also visit the NorthConnex Community Information Centre at 118 Yarrara Road, Pennant Hills, open Monday to Friday from 9am to 5pm and the last Saturday of the month from 10am to 1pm.

NorthConnex will consider community and stakeholder feedback in finalising the proposal and will continue to keep you informed on progress.

For further information about the project, please call us on 1800 997 057 or visit the NorthConnex website at www.northconnex.com.au

Yours sincerely
