Day and night work: Service installation and pedestrian diversion – Pearces Corner, Wahroonga

Dear resident,

Further to the October 2017 notification, night work will continue as part of ongoing work to widen Pennant Hills Road at Wahroonga. The work will include installing water, stormwater, electricity and communication services under Pennant Hills Road, next to the Pearces Corner site compound. A map of the work area is provided in this notification.

Generally, this work will be carried out during standard construction hours between **7am and 6pm, Monday to Friday and 8am and 1pm on Saturday**, however for the safety of motorists, pedestrians and workers, work will also be carried out at night between **9pm and 5am**.

It is expected the widening work will be complete by December 2018, weather permitting.

Plant and equipment includes a crane, light vehicles, lighting towers, vacuum truck, generators, excavators, trucks, rollers, concrete trucks, street sweeper, water cart, concrete saws and hand tools.

Pedestrian footpath closure - continued

In order to carry out this work safely the pedestrian footpath on the northbound side of Pennant Hills Road will remain closed between Russell Avenue and Pacific Highway. Pedestrians are diverted to the footpath on the southbound side of Pennant Hills Road between Aaron Place and the Pacific Highway. Traffic management and signage is in place to ensure the safety of pedestrians and workers. A map of the work area and pedestrian diversion routes is provided with this notification.

The main work activities include:

- > service investigation work
- > excavation and trenching
- > removal of a median on Pennant Hills Road
- > installation of services including water, stormwater, electricity and communication
- > asphaltting and pavement work.

Managing impacts

You will experience noise during this work and we will make every effort to minimise impact by:

- > consulting with directly affected residents
- > providing respite for residents most affected by noise

Australian Government

BUILDING OUR FUTURE

Transurban

- > using non-tonal reversing beepers on all machinery
- > turning off equipment and vehicles when not in use
- > using solar-powered lighting towers

Traffic management

As part of this work, there will be night closures of two northbound lanes on Pennant Hills Road between the Pacific Highway and Russell Avenue. The closures will take place between **9pm and 5am, Sunday to Friday for up to three nights per week**, weather permitting. Traffic management and signage will be in place for the safety of motorists, residents and workers.

Please allow extra travel time and visit livetraffic.com, download Live Travel App or call the Transport Management Centre 132 701 for the latest information. Access will be maintained for motorists and residents at all times.

If you have any questions, complaints or would like to register for SMS updates, please don't hesitate to contact us on 1800 997 057, enquiries@northconnex.com.au or visit the NorthConnex Community Information Centre at 118 Yarrara Road, Pennant Hills, open from Monday to Wednesday, from 9am to 1pm.

Yours sincerely

NorthConnex Project Team
