

4 April 2016

Ref N0025c

Dear Resident

Update on night work: Pennant Hills Road, Pennant Hills

Further to our notifications delivered in 2015 and January 2016 for the Southern Interchange Compound, night work is required on Pennant Hills Road between Hannah Street, West Pennant Hills and Murray Farm Road, Carlingford.

The night work will continue in April and is expected to be completed by late June 2016. To avoid disruption to traffic on West Pennant Hills, work will be carried out between **9pm and 5am** for five nights per week.

Access to the compound for workers and vehicles will be between 7pm and 7am. See overleaf for the dates of night work and the work locations. Please note that if the work is unable to be completed on the nights indicated, it will be rescheduled.

Remaining work includes:

- Installation of new traffic signals
- Modifications to line marking and installation of new kerb guides
- Establishment of new traffic control measures and installation of traffic signs.

Traffic management and signage will be in place to ensure the safety of motorists, residents and workers.

Plant and equipment to be used includes traffic control trucks, line marking trucks, sign installation trucks, vacuum excavation trucks, excavators, hammers, concrete saws, concrete delivery trucks, asphalt and paving.

Every effort will be made to minimise noise and light spill associated with this work by:

- Turning off machinery when not in use
- Using non-tonal reversing beepers on all machinery
- Parking away from homes
- Carrying out noise monitoring to ensure compliance with noise limits
- Scheduling noisy work to take place no more than two nights in a row and limiting noisy work to no more than three nights in one week at the same location
- Coordinating respite for residents most affected by the noise.

We apologise for any inconvenience this may cause and we thank you for your patience. If you have any questions, comments or complaints, please do not hesitate to call us on **1800 997 057**, email enquiries@northconnex.com.au or visit the NorthConnex Community Information Centre at 118 Yarrara Road, Pennant Hills, open weekdays from 9am to 5pm.

Yours Sincerely
NorthConnex Project Team.
