

20 April 2015

Ref. N0007

Dear Resident

NorthConnex early work activities: services and utilities investigations at night

NorthConnex is a nine kilometre tunnel that will link the M1 Pacific Motorway at Wahroonga to the Hills M2 Motorway at West Pennant Hills, removing around 5,000 trucks off Pennant Hills Road.

Lend Lease Bouygues Joint Venture has been awarded the contract to design and deliver the work.

As part of the preparation to construct a new site compound for the NorthConnex project, the project team will be carrying out investigations to locate underground utilities along the project corridor from Pennant Hills to Wahroonga

From 30 March 2015, utility and pavement investigations will take place at night in the median strip of Pennant Hills Road adjacent to properties at 608 – 660 Pennant Hills Road.

This work will take three nights, weather permitting and will include:

- Using a hand held drill to collect core samples of the median strip
- Searching for locations of services including breaking up the median strip
- Non-destructive excavation to locate the services
- Repairing the median strip at the completion of the investigation and core sample removal.

Plant and equipment for this work includes saws, hand held drill, vacuum truck, lighting towers and generators.

To minimise impact on motorists work on Pennant Hills Road will occur outside peak times between **9pm and 5am**. Minimal delays to travel times are expected. Work taking place closest to occupied residences will be completed before midnight. Hand held machinery will be used as much as possible to minimise noise.

NorthConnex
Building for the future

Traffic management will be in place to ensure the safety of motorists, residents and workers. Roadside variable message signs will be in place on Pennant Hills Road and at the exit from M2 Hills Motorway (M2) to Pennant Hills Road to advise the changes to traffic conditions. The lane closest to the median, northbound and southbound, on Pennant Hills Road will be closed from 9 pm to 5 am where the work is occurring. A lane on the M2 exit to Pennant Hills Road will also be closed.

We apologise for any inconvenience and will take steps to minimise any impact associated with this important work.

We thank you for your patience, and if you have any questions, please don't hesitate to call members of the project team on **1800 997 057**, email <mailto:enquiries@northconnex.com.au> or visit the NorthConnex Community Information Centre at 354 - 356 Pennant Hills Road, Pennant Hills, open every Tuesday from 9am to 12 pm and Thursday from 9am to 4pm.

Yours sincerely

NorthConnex Project Team
