

11 May 2015

Ref: N0023

Dear Resident

Wilson Road compound: service investigations – night work on Pennant Hills Road near Wilson Road and Beecroft Road

Further to our letter dated 20 April regarding preparation for site establishment of the Wilson Road compound, the project team will be carrying out further investigations to locate underground utilities on Pennant Hills Road near the intersection of Beecroft Road near Wilson Road.

From 18 May 2015 utility investigations will take place over two nights (weather permitting) in the footpath from 434 to 440a Pennant Hills Road. The northbound slow lanes of Pennant Hills Road will be closed to traffic during this time.

This will include:

- Parking of a truck in the closed lane at various times
- Searching for locations of services
- Non-destructive excavation to locate the services
- Repairing all the areas at the completion of the investigations.

Plant and equipment for this work includes saws, a hand held drill, jackhammer, vacuum truck, lighting towers and generator.

We will make every effort to minimise impacts by:

- Turning off machinery when not in use
- Using non-tonal reversing beepers on all machinery.

Work hours

To minimise the impact on motorists work will occur outside of peak hours from **9pm to 5am**. We will notify you if there are any changes to these times.

Temporary traffic changes

Appropriate traffic and safety management procedures, including traffic control and notification by variable message signs will be put in place. There will be no impact on access to driveways.

Pedestrians will be diverted around the site by traffic control personnel.

We apologise for any inconvenience and will take steps to minimise any impact associated with this important work.

We thank you for your patience, and if you have any questions, please don't hesitate to call members of the project team on **1800 997 057**, email <mailto:enquiries@northconnex.com.au> or visit the NorthConnex Community Information Centre at 354 - 356 Pennant Hills Road, Pennant Hills, open every Tuesday from 9am to 12pm and Thursday from 9am to 4pm.

Yours sincerely

NorthConnex Project Team
