Dear Resident

NorthConnex early work activities: survey work in road reserve beside Hills M2 Motorway and Pennant Hills Road

From 4 June 2015, topographical and cadastral surveys will take place along the road reserve between private properties and the edge of the Hills M2 Motorway and Pennant Hills Road. This work will take around three weeks to complete.

This work is required to support the detailed design of NorthConnex and will involve the topographical and cadastral survey of road reserve and nearby drainage features.

Plant includes hand-held equipment and surveying tools and light vehicles. All work will take place in the road reserve and is unlikely to cause any impact on nearby residents. The surveyor contractors will work in two-person crews and will look similar to the photo below:

We thank you for your patience, and if you have any questions, please don't hesitate to call members of the project team on **1800 997 057**, contact via email at <mailto:enquiries@northconnex.com.au> or visit the NorthConnex Community Information Centre at 354 - 356 Pennant Hills Road, Pennant Hills, open every Tuesday from 9am to 12 noon and Thursday from 9am to 4pm.

Yours sincerely

NorthConnex Project Team
