

10 July 2015

Ref: N0056

Dear Resident

Wilson Road Compound: Out of hours work activities

Further to our letter of 3 June 2015, please be advised that out of hours work will need to take place at the Wilson Road Compound on Saturday 18 July.

What are we doing?

In preparation for the site establishment of the Wilson Road Compound, the project team will continue to remove buildings and structures from properties located at Wilson Road; Pennant Hills Road and Killaloe Avenue. These properties were acquired by Roads and Maritime Services for NorthConnex.

In order to remove the remaining buildings, one lane northbound on Pennant Hills Road is required to be closed.

To minimise the impact on motorists, this lane closure will take place between **6am and 8am on Saturday 18 July 2015**.

Work will continue on site during the standard construction work hours of 8am and 1pm on Saturdays.

Equipment which may be used at this time includes excavators with hammers, trucks, saws, scaffold, and elevated work platforms.

We will make every effort to minimise impacts by:

- Turning off machinery when not in use
- Using non-tonal reversing beepers on all machinery
- Parking away from homes.

We apologise for any inconvenience this may cause.

We thank you for your patience, and if you have any questions, please don't hesitate to call members of the project team on **1800 997 057**, email <mailto:enquiries@northconnex.com.au> or visit the NorthConnex Community Information Centre at 354 - 356 Pennant Hills Road, Pennant Hills, open every Tuesday from 9am to 12 pm, Thursday from 9am to 4pm and last Saturday of every month from 9am to 1pm till November.

Yours sincerely

NorthConnex Project Team
