Dear Resident,

## Night work: tree clearing Pennant Hills Road, Wahroonga

Please be advised that some night work activities will need to take place on Pennant Hills Road at Pearce's Corner for two nights on 20 and 21 January 2016 from 10.30pm to 5am (refer to map overleaf for location of work activities).

### What are we doing?

As part of ongoing preparation for Pennant Hills Road widening, several trees at Pearce's Corner will be removed including a large Blue Gum that currently overhangs three lanes of Pennant Hills Road.

The trees will be removed at night when two northbound slow lanes can be closed to provide a safe working zone for project personnel and motorists.

Plant and equipment used for this work includes lighting towers, traffic management trucks, chain saws, one 40 tonne crane, a flatbed log truck and an elevated work platform.

You may experience some noise during the work, however we will make every effort to minimise impact by:

- Turning off machinery when not in use
- Using non-tonal reversing beepers on all machinery
- Noise monitoring to ensure compliance with noise limits.

### Temporary traffic arrangements
